Shipping and Returns

Shipping

We ship by FedEx unless other methods are agreed upon in advance. We guarantee that the items you purchase from us will leave our hands in 100% condition.

We also ship glassware—packed very carefully. However, it is possible that a glass may get broken in transit. We don't expect that to happen, but it's an imperfect world. If you order glassware and an unusable glass should reach you, return it to us within seven (7) days and we will replace it with the same item at no charge. We want this to be a win/win experience.

Returns

Belts are not returnable, so make very certain that when you order a belt from Mainsheet Partners you have the correct belt size pegged to a fair-thee-well. We do not ship belts to Afghanistan, Uganda, Antarctica or several states in the Continental United States wherein the obesity level is extremely high.
